Hello Jay,

Here are the receipts that you requested that state the "Classification Code of 1160", which stand for ads that are to be placed in the section "Mind, Body, and Spirit".

These ads are Not to be considered "Massage Ads", only "Mind, Body, and Spirit Ads".

Our headings have changed only and your ad is by no means a "Massage Ad"....

On the receipts you will see the Classification 1160 that is strictly for a non-massage Business ad. It is referred to as "Mind, Body, and Spirit" so that it will specifically differ from our "Massage Ads".

This Classification 1160 is to specify "Spa Ads" only, not "Massage Ads"!

I hope that I have answered any questions that you have asked.

Your ad is not a "Massage Ad". Tranquility Spa is under the Classification 1160 which means a "Mind, Body, and Spirit" ad.

If you have any more questions, please feel free to call or email me.

Thank you for your Business....
